

RECEIVE UP TO \$4,500 IN INCENTIVES!

Owners of single-family detached homes are eligible for incentives of up to \$4,500 for installing energy-efficient measures in their homes.

Choose between two packages for participation:

Basic Package

For incentives up to \$1,000, Construction Services must install ALL of the following measures, as described below in accordance with program requirements.*

1. Air Sealing
2. Attic Insulation to minimum R-30 or better per location jurisdiction.
3. Duct sealing of central duct system.
4. Pipe wrap of all accessible hot water pipe.
5. Installation of low flow shower devices with thermostatic flow restriction valve control or thermostatic flow restriction valve control device.
6. Perform combustion safety test.

Advanced Package

For incentives between \$1,250 and \$4,500, Construction Services, Rowland Air and HouseSmart Green Solutions will install a mixture of energy-efficient measures to meet a minimum energy savings of 10% - 40% .

Energy Savings will be based on modeling simulation performed by HouseSmart Green Solutions.

IN LOS ANGELES COUNTY

Construction Services, Rowland Air and HouseSmart Green Solutions have partnered together to help make your home as energy-efficient as possible while providing you savings in your utility bills. As service providers, we are dedicated to expanding green building practices. We provide value to our clients by helping them increase the efficiency of the resources they use, reducing their impact on the environment, and creating an atmosphere of well-being.

Chuck Rowland owns and runs Construction Services, a design and build general contracting firm. With over 24 years experience, he has been directly involved with the following: Biotech/Electronic Clean Rooms, Warehouses-Cold Storage, Tenant Improvement/Remodels, Commercial, Industrial & Residential Construction and Custom Home Design & Build. Chuck holds the following certifications: B-1 General Building License, HIC, RRP, LEED AP, and member of ICC (building codes) and Residential, Commercial & Industrial & Real Estate Inspection. www.cs-constructionservices.com
